Customer Relationship Management – ORM & Spring MVC

3. Customer Form for adding new customer

The screenshot shows a web browser window with the title "Customer Form". The address bar displays the URL: `localhost:8080/CustomerRelationshipManagement/customer/showFormForAdd`. The page content features a prominent cyan header with the text "CUSTOMER RELATIONSHIP MANAGEMENT". Below the header, the section is titled "Save Customer". It contains three text input fields labeled "First Name", "Last Name", and "Email". At the bottom of the form, there is a blue "Save" button and a blue link labeled "Back to Customers List". The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with a temperature of 34°C and the date 06-07-2022.

4. Customer Form for updating existing customer

The screenshot shows a web browser window with the title "Customer Form". The address bar displays the URL: `localhost:8080/CustomerRelationshipManagement/customer/showFormForUpdate?customerId=6`. The page content features a prominent cyan header with the text "CUSTOMER RELATIONSHIP MANAGEMENT". Below the header, the section is titled "Save Customer". It contains three text input fields with pre-filled values: "Harshit", "Choudhary", and "harshit@gmail.com". At the bottom of the form, there is a blue "Save" button and a blue link labeled "Back to Customers List". The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with a temperature of 34°C and the date 06-07-2022.
